TRACK

New air conditioned
Time Keeping with
Referee Overlooking

Covert Drivers Rostrum

New Infield 4-Jump combination

The Pit

Covert Drivers Area

wooden cliffy curve with jump

Length: about 260 meters

Width: about 4 meters

Floor Covering: Loam

Lap Time: about 28 seconds

Peculiarities: In front of the high speed straight there is an wooden cliffy curve with a jump. An other new 4-Jump combination is in the Infield and after this is a table. The complete Track is lying on a small hill so we have no problems with a wet track after rain as you see on EuroB2007. The Infield is very curvy.

See this Homepage too for more information:
